## *Memorandum*

TO: BATA Oversight Committee

DATE: November 2, 2011

FR: Executive Director

W. I. 1256

RE: Contract Amendment - On-call Project Design Services – San Francisco Oakland Bay Bridge Toll Plaza Renovation: PB Americas

In January 2011, after a competitive procurement, the BATA Oversight Committee authorized the Executive Director to enter into contracts with eleven firms, including PB Americas, to provide on-call construction management and project design services. Staff is proposing to amend the current \$830,000 contract with PB Americas to add an additional \$300,000 in budgeted toll funds for consultant services on the San Francisco-Oakland Bay Bridge (SFOBB) Toll Plaza Canopy Renovation Project.

The funds will be utilized to design the renovation of the SFOBB Toll Plaza in anticipation of the new East Span of the San Francisco-Oakland Bay bridge opening in late 2013. The project proposes improvements to traffic operations, safety, as well as options for renovating the existing toll canopy. The project specifically includes painting toll booths roadway rehabilitation, toll booth crash attenuator replacement in addition to options for renovating the SFOBB Toll Plaza canopy.

### **Recommendation**

Staff recommends that the Committee authorize the Executive Director or his designee to negotiate and enter into a contract amendment with PB Americas for design of the San Francisco-Oakland Bay Bridge Toll Plaza Renovation Project in an amount not to exceed \$300,000 from budgeted toll funds.

Steve Heminger
